**Overall winner for the day :** Craig Thompson

**Comments** Hi all, bit of a messed up day after an incident which has probably caused the incomplete cards. The kids had a tough day at the office and the scores don't reflect the work that these guys have been putting in as the sections they are riding are starting to get more technical. If they keep this up it won't be long before they become Taranaki's elite riders. Thanks to David for working with and showing the kids some tips and helping out before he had to go off and milk. Well done to Jason & Luke for making the move to the blue line. Dougy bought along a new rider "Dean" who seemed to be having a fun day picking up some tips. Hats off to Dougy for wrestling the Berg through some tough intermediate sections. Apologies if the scores are wrong but cards are very hard to read. Please take care when clipping cards.

**Next event** Meeting for National - TBA. Hamilton - NI Champs good luck to those going
